## Additional Information

The COP Faculty Research Support Program's primary purpose is to stimulate and support research and scholarly activities with the goal to obtain preliminary data leading directly to submission of externally funded grants and/or peer reviewed publications. While some preliminary research may be supported by the FRS, a request for such support must demonstrate how the research will contribute to the growth and professional development of the investigator.

If you have any questions concerning the FRS, please contact Paul Sylvester, at 342-1958 or [sylvester@ulm.edu](mailto:sylvester@ulm.edu).
